## MONKEY MAJIK

Run away  
Daremo shiranai  
Get away  
Dokoka tooku ni  
Any way  
I'm still breathing  
Tonikaku isogou  
Run away  
Kizukarenu you  
Get away  
Chigau sekai ni  
Any way  
I'm still breathing  
Na mo naki tokoro wo I found throughout my life  
Tawamureau tsumori nante nai  
Tears, Smiles, spread out your arms  
Kanashimi kara tokihanatte  
Stay face, don't mind the chase  
Omoi no mama ki no muku mama  
We never will stop, no we never will stop  
With a love sought, that you've fallen from grace Open your heart babe  
Open your heart babe  
Open your heart babe  
Open your heart babe I'm feeling Alive Run away  
Nando mo osore
