Any Way That You Want Me

Lita Ford

If it's love that you want, then, baby, you've got it
From the depths of my soul, yeah, aw, baby, you've got it
'Cause I've been watching you and I don't think that you'll gain
And there's no need to explainAny way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way at allIf there's dreams in your heart, the love lasts forever
From the depths of my soul, I'm making love control for me and you
'Cause I've been watching you and I don't think that you'll gain
And there's no need to explainAny way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way at allNothing you can say or do
Can turn my heart away
But my love for you keeps growing stronger
Each and every dayYou know you can have it
Any way you want it
I'll give you all I've got to give
You can take itAny way, any way
Any way, any way
Any way, any way
Any way, any wayAny way that you want me
Any way that you'll take me
Any way that you'll make me be a part of you
Any way that you want meAny way that you want me
Any way that you'll take me
