

Keep Fishin'

Weezer

You'll never be
A better kind
If you don't leave
The world behindWaste my days
Drown awaysIt's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelfYou'll never do
The things you want
If you don't move
And get a jobWaste my days
Drown awaysIt's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelfOh girl, when I'm in love with you
Keep fishin' if you feel it's true
There's nothin' much that we can do
To save you from yourselfWaste my days
Drown awaysIt's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelfOh girl, when I'm in love with you
Keep fishin' if you feel it's true
There's nothin' much that we can do
To save you from yourselfNever be
A better kind
You'll never be
A better kindWaste my days
Waste my days
Waste my days
