# Dirty Life

## Femme Fatality

Ooh I can't get away
My mind's been up for days
Alright my ghosts are chasing me
Oh god damn you make me screamDirty mind: tell me it's a dream
Dirty life: oh I love the filthy scene
Dirty mind: now don't you break my heart
Dirty life: you're tearin' me apartOoh I ain't slept for days
Now my mind is fuckin' crazy
Alright, ooh baby you mark my hide
God damn you make me cryFilthy / Fame / Fancy / Fortune
Filthy / Fame/ Like Fancy / Misfortune
[background]I'm comin' for you
I want to shoot you up
I want to do you
I want to screw you up
I want to fuck fuck fuck
On this hot night!
Raping your fancy
Under the spotlightDirty mind: tell me it's a dream
Dirty life: I love the filthy scene
Dirty mind: now don't you break my heart
Dirty life: oh you're tearin' me apartDirtiest fancy
Dirtiest fancy
Dirty and fancy
Dirtiest fancy
Tell me it's fancy
Tell me now it's fancyDirty mind: tell me it's a dream
Dirty life: I love the filthy scene
Dirty mind: now don't you break my heart
Dirty life: hey you're tearin' me apartDirty mind: tell me it's a dream
Dirty life: I love the filthy scene
Dirty mind: now don't you break my heart
Dirty life: yea you're tearin' me apartDirty mind: tell me it's a dream
Dirty life: I love the filthy scene
Dirty mind: now don't you break my heart
Dirty life: oh you're tearin' me apart
