

# Growing Up So Fast

## Flagship Romance

One day you're born  
One day you die  
Eyes shut open wide  
One minute everything is fine  
The next day you're caught  
Beneath the Landslide

You're growing up so fast  
Don't blink or you'll miss it  
You're growing up so fast  
LOVE...LOVE...

I know days can come and go  
And the dog ones seem to get you on your knees  
So you harden up your heart  
You're convinced this world is only for the Crooks and Thieves  
But you know we gotta LIVE.  
Life's too SHORT to not FORGIVE.  
And I know days can come and go, but today is not the one where you should LET GO..  
LET GO..

You're growing up so fast  
Don't blink or you'll miss it  
You're growing up so fast  
LOVE...LOVE...

Oh You're growing up so fast  
Growing up growing up growing up ahhh...

Breakin' hearts  
Broken bones  
You threw the sticks  
Been hit with stones  
You'll feel alive  
You'll feel alone  
With no guarantees what you'll face tomorrow  
But you don't have to face it all on your own

You're growing up Growing up growing up ahhh...
