Rockabye Dixie

Abigail Washburn

Me and Dixie, we'd waste away
Sleep through the night and all the next day
Sleep through the sun, rain and moon
Here, in this roomOh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie childMe and Dixie, we rolled and dreamed
Time held us alone in this world it seemed
Then morning broke and awoke you from meOh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie childSo come back, Dixie, I'll rock you to sleep
Back to our dreams our twisted sheets
Cradle your fading stars in my armsOh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
Oh, rockabye, my Dixie childOh, rockabye, my Dixie child
Oh, rockabye, my Dixie child
