

Loki Rides Again

Sieben

Before the end of days, Loki will ride
at the Ragnarok, Naglfar will sail again
 till the end of time, Loki rides again
 till the end of time, Loki rides again
 father of the wolf, mother of the whirled
Embla from the embers, his blood spewed Ask
 before the end of days, Loki will ride
 at the Ragnarok, Naglfar will sail again
 till the end of time, Loki rides again
 till the end of time, Loki rides again
 father of the wolf, mother of the whirled
Embla from the embers, his blood spewed Ask
 till the end of time, Loki rides again
 till the end of time, Loki rides again
 till the end of time, Loki rides again
 till the end of time, Loki rides again
