

# Enchanted

Caron Wheeler

There I was again tonight, forcing laughter, faking smiles  
Same old, tired place lonely place  
Walls of insincerity, shifting eyes and vacancy  
Vanished when I saw your face  
All I can say is it was enchanting to meet you  
Your eyes whispered, "Have we met?" across the room, your silhouette  
Starts to make its way to me  
The playful conversation starts, counter all your quick remarks  
Like passing notes in secrecy  
And it was enchanting to meet you  
All I can say is I was enchanted to meet you  
This night is sparkling, don't you let it go  
I'm wonder-struck, blushing all the way home  
I'll spend forever wondering if you knew  
I was enchanted to meet you  
The lingering question kept me up, 2 a.m., who do you love?  
I wonder 'til I'm wide awake  
Now I'm pacing back and forth, wishing you were at my door  
I'd open up and you would say  
It was enchanting to meet you  
All I know is I was enchanted to meet you  
This night is sparkling, don't you let it go  
I'm wonder-struck, blushing all the way home  
I'll spend forever wondering if you knew  
This night is flawless, don't you let it go  
I'm wonder-struck, dancing around all alone  
I'll spend forever wondering if you knew  
I was enchanted to meet you  
This is me praying that  
This was the very first page, not where the storyline ends  
My thoughts will echo your name until I see you again  
These are the words I held back as I was leaving too soon  
I was enchanted to meet you  
Please don't be in love with someone else  
Please don't have somebody waiting on you  
Please don't be in love with someone else  
Please don't have somebody waiting on you  
This night is sparkling, don't you let it go  
I'm wonder-struck, blushing all the way home

I'll spend forever wondering if you knew  
This night is flawless, don't you let it go  
I'm wonder-struck, dancing around all alone  
I'll spend forever wondering if you knew  
I was enchanted to meet you  
Please don't be in love with someone else  
Please don't have somebody waiting on you
