

Maybe Monday

'Til Tuesday

Tell me again
You only want what's good for me
Tell me again
You're gonna make me happy Tell me again
I have promises to keep
Tell me again
I might stop crying in my sleep Maybe Monday he'll call
Maybe Monday he'll call
Maybe Monday - oh, oh
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never Tell me again
I am almost over it
Tell me again
That pretty soon I'll forget (forget, forget) Tell me again
You're gonna fix my broken heart
Tell me again
Maybe I will not fall apart Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never It makes me laugh
I'm spending all my time
Staring at his photograph
And that's the catch
Oh, I feel foolish
But I know it's really all I have Maybe Monday he'll call
Maybe Monday he'll call
Maybe Monday - oh, oh Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
