Rescue Me

Bell, Book & Candle

Yeah, I wanna have the time
And I wanna see you cry
I wanna feel your body
And I wanna get closerGotta rescue me, rescue me, rescue me
Let me have a good timeAnd I wanna see you laughin'
And I wanna feel rain
I wanna get inside you
And I wanna feel painYou gotta rescue me, rescue me, rescue me
Let me have a good timeAnd I wanna feel you movin'
And I wanna feel good
I wanna feel your love for sureLet your, let your, let your amazement grow
Let your, let your, let your amazement grow
Oh, whatever you do, I can't leave you
Don't ever let me go, don't ever let me goYeah, I wanna be hungry
And I wanna ask why
I wanna be dreaming
And I wanna satisfyYou gotta rescue me, rescue me, rescue me
Let me have a good timeAnd I wanna be loved
And I wanna be high
I wanna feel you touch me
And I wanna hear you sighYou gotta rescue me, rescue me, rescue me
Let me have a good timeAnd I wanna feel you movin'
And I wanna feel good
I wanna feel your love for sureLet your, let your, let your amazement grow
Let your, let your, let your amazement grow
Oh, whatever you do, I can't leave you
Don't ever let me go, don't ever let me goLet your, let your, let your
Let your, let your, let yourLet your, let your, let your amazement grow
Let your, let your, let your amazement grow
Oh, whatever you do, I can't leave you
Don't ever let me go, don't ever let me go
