

Don't Give Up On Me Now

[Ben Harper](#)

Time, it opens all wounds
And trust gonna put me in the tomb
The world isn't mine
The world isn't mine to save
I can't afford to lose
What you easily throw away And I don't even know myself
What it would take to know myself
I need to change, I don't know how
Don't give up on me now It's not what we do
It's what we do with what we feel
Takes all you have to stare him down
And whisper, "Devil, no deal" And I don't wanna fight
Don't wanna fight my father's war
You can wait your whole life
Not knowing what you're waiting for And I don't even know myself
What it would take to know myself
I need to change, I don't know how
Don't give up on me now Don't give up on me now
Don't give up on me now
Don't give up on me now
Don't give up on me now
Don't give up on me now And I don't even know myself
What it would take to know myself
I need to change, I don't know how And I don't even know myself
What it would take to know myself
I need to change, I don't know how
Don't give up on me now
