

Tired from the Fire

Alex Clare

I know you'll burn all, not given up awful lies

Tired from the fire, tired from the fire

I know you'll burn all, not given up awful lies

Tired from the fire, tired from the fire

Yes, it burns

Slow and low,

Consuming all,

Consuming all

Yes, it burns

Slow and low,

Consuming all,

Consuming all

She got me burning, smoldering like a? next to the fire

Next to a fire

She got me burning, smoldering, blazing all night

She got burning, smoldering like a? next to the fire

Next to a fire

I know you'll burn all, not given up awful lies

Tired from the fire, tired from the fire

I know you'll burn all, not given up awful lies

Tired from the fire, tired from the fire

Yes, it burns

Slow and low,

Consuming all,

Consuming all

Yes, it burns

Slow and low,

Consuming all,

Consuming all

Oh oh ooh, she's got me thinking

Oh oh ooh, she's got me drinking

Oh oh ooh, she's got me thinking

Oh oh ooh, she's got me drinking water

She's got me drinking water

She's got me drinking water

Oh oh ooh, she's got me thinking

Oh oh ooh, she's got me drinking

Oh oh ooh, she's got me thinking

Oh oh ooh, she's got me drinking water

She's got me drinking water
Oh oh ooh, she's got me thinking
Oh oh ooh, she's got me drinking
Oh oh ooh, she's got me thinking
Oh oh ooh, she's got me drinking water
She's got me drinking water
