

# Silver Sands

## Stereolab

This unique garden the place  
Where sunlight and water transform  
Through interplay of opposites  
Life manifests, love surfaces Tended, cultivated  
Intricate, delicate  
Tended, cultivated  
To keep the balance  
Intricate, delicate  
Role of the gardener Tended, cultivated  
Intricate, delicate  
Tended, cultivated  
To keep the balance  
Intricate, delicate  
Role of the gardener
