

# Belle Starr

## Little Richard

My mama and my daddy  
Told me that love is a two-way street  
But lately baby, you've been findin'  
    New ways of draggin' your feet  
    So come on, make your best shot  
    You don't have to take the blame  
    I'll be your belle star  
    You can be my Jesse James  
There's lonely people everywhere  
    From Abilene to Arkansas  
    The way they run for cover  
You'd think love was against the law  
    Well, I don't need a pistol, baby  
    You won't have to rob a train  
    You can be my belle star  
And I can be your Jesse James, oh, oh  
    I know you've done some hard time  
    Baby and you've got your doubts  
    When you feel surrounded  
And it's lookin' like there's no way out  
    I'll come ridin' to your rescue  
    All you gotta do is call my name  
    I'll be your belle star  
You can be my Jesse James, oh, oh  
    It don't take a genius, baby  
    There ain't no big mystery  
    You can't play it safe  
    And still go down in history  
    So saddle up the horses  
'Cos we're headed for the hall of fame  
    I'll be your belle star  
    You can be my Jesse James  
    I'll be your belle star  
    You can be my Jesse James  
        Oh, oh, oh, oh
