

Pin Your Wings

Copeland

Hey Amanda
Where'd you find these crazy boys this time?
They say, "You're pretty but you don't think they're right"Hey Amanda
While you're staring at your telephone tonight
Do you feel like turning it off, turning off all of the lights?Pin your wings down
If it's ever over now
Pin your wings down
Just take a chance somehowHey Amanda
Who just threw your heart away this time?
And when you're cryin' on your bed does he help keep you alive?Pin your wings down
If it's all over now
Pin your wings down
Just take a chance somehowI'll take the blame if you take me home now
'Cause there's no place left for trust in all this pain
And you know when it rains in this town
I get washed away without a sound
So pin my wings downIf it's over
If it's over now
If it's over
If it's over nowPin your wings down
If it's ever over now
Pin your wings down
Just take a chance somehowPin your wings down
If it's ever over now
Pin your wings down
Just take a chance somehow
