Annie Mae

John Lee Hooker

Annie Mae, I need you night and day, Annie Mae
Annie Mae, Annie Mae, I want you for my own Annie Mae.
Annie Mae, Annie Mae
Dont ever leave me by myself
Annie Mae, Annie Mae
Dont leave me here to cry
You you you leave me leave me
I believe I would die.Annie Mae, Annie Mae
I cant live without you
You, you, you, you
I cant live without you
(And then I told her)
Annie Mae, I want you for my own Annie Mae
Oh Annie Mae, Annie Mae, Annie Mae
My own, my own, Annie Mae.Now, now when youre gone, when youre gone
I cant sleep, til you get back home
Annie Mae, Annie Mae
I cant sleep til you get back home, get back home
I know it aint right.
(Now Charles, give it a little bit)
(Make it funky)You, you, you, you, Annie Mae
Youre my pride and joy, yes she is
you, you, you, you, you, youre my pride and joy
you, you I dont want,
No one but you, you, you, Annie Mae, Annie Mae
Annie Mae (heh, heh, heh, heh)
Im going tell you one more time one, more time, Annie Mae
You, you, you, youre my pride and joy, each year
You, you, you youre my pride and joy
(Better go now)
You, you, you
My pride and joy
You, you, you,
My pride and joy.
