Disconnected

The Red Jumpsuit Apparatus

You know that you are
The center of my attention
And you leave me no choice
Tripping on to the floor
Looking at my reflection
As I follow the chord to your voice
As it rings on through
Your voice clearly receptive like the day we met I knew

Don't hang up on me 'cause I'm hung up on you
Don't tell me how to feel like you always do
I know you're right, I don't wanna fight
Is this how our story ends or a new chapter begins?

As the days roll by
Can't help myself just sit and wonder why
Was it something I said?
Something I did? My girl
Your wilted roses make me cry
A sentimental sign of rejection
As I follow the chord to your voice
As it rings on through
Your voice clearly receptive like the day we met I knew

Don't hang up on me 'cause I'm hung up on you
Don't tell me how to feel like you always do
I know you're right, I don't wanna fight
Is this how our story ends or a new chapter begins?
Begins...

(Missing Lyrics)

Don't hang up on me 'cause I'm hung up on you
Don't tell me how to feel like you always do
I know you're right, I don't wanna fight
Is this how our story ends or a new chapter begins?
