

# Hello, I'm In Delaware (Live at The Underground)

## City and Colour

So there goes my life  
Passing by with every exit sign  
It's been so long  
Sometimes I wonder how I will stay strong  
No sleep tonight  
I'll keep on driving these dark highway lines  
And as the moon fades  
One more night gone, only twenty more days  
But I will see you again  
I will see you again a long time from now  
And there goes my life  
Passing by with every departing flight  
And its been so hard  
So much time so far apart  
And she walks the night  
How many hearts will die tonight  
And when things have changed  
I guess I'll find out in seventeen days  
But I will see you again  
I will see you again a long time from now  
My body aches  
And it hurts to say  
No one is moving  
And I wish that I weren't here tonight  
But this is my life.  
And I will see you again  
I will see you again a long time from now  
And I will see you again  
I will see you again a long time from now
