

Uglatto

Devo

You ooh ooh
Another hairdo
Mobutu shoes This Roman nose
You're uglatto You grin like a star
The grille of a car
Fat Oldsmobile
A puffed potato This Roman say
Ugh-latto You a bad tomato
Speak Esperanto
So desperato
And constipato This Roman nose
You're uglatto Why do you wiggle?
So you make me
Want to ho ho
In front of people You are so uglatto
