

# Black Book

## Blur

Put away my black book  
Throw it on the fire  
Getting out the side door  
You are my one desire  
Baby when you hold me  
I feel see you're everything  
Baby when you touch me  
I need nothing no more  
Put away my black book  
Put in on the fire  
Don't give up on me Lord  
Take my spirit higher  
Nothing can behold me  
Don't put me on the fire  
Baby when you hold me  
I will see no fear  
Baby when you touch me  
You see it in my eyes  
Put away my black book  
Put it on the fire  
I've made up my mind  
I got nothing to hide  
I've made up my mind  
I got nothing to hide  
Give me my soul [x7]  
Give you my soul  
Give me my soul  
Give you my soul [x10]  
Give you...  
Give you my soul [x4]

[sang by London Community Gospel Choir]
