

Dirty Dancer

Oh My!

[Verse 1]

You think you're special 'cos you got a special watch
Well you're not, you're not

You think you're wicked 'cos you're spending quite a lot
But you're not, you're not[Pre-chorus]

I got a new pair of shoes, they'll be ruined in the morning
Probably gonna call in sickWhen we dance we get a huge queue forming

If you're lacking rhythm just quit[Chorus]

I want a Patrick Swayze dirty dancer

Take my hand and lead me in the corner, baby

'Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer

Take my hand and lead me in the corner, baby

'Cos I wanna dance like crazy[Verse 2]

You think I'm picky 'cos I won't accept a shot

But I'm not, I'm notYou can't believe I'm not impressed, I would take a guess
You're pretty shocked, quite a lotBe creative with your chat up lines, you're staring at me like I'm
In a shop, err, stop?Until you show me how you move I'm chilling 'cos your dancing

says a lot, a lot[Pre-chorus]

I got a new pair of shoes, they'll be ruined in the morning
Probably gonna call in sickWhen we dance we get a huge queue forming

If you're lacking rhythm just quit[Chorus]

I want a Patrick Swayze dirty dancer

Take my hand and lead me in the corner, baby

'Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer

Take my hand and lead me in the corner, baby

'Cos I wanna dance like crazy[Scufizzer]

I know you're thinking that you're special but you're not

Kinf of feels like you, you, you are tryina be something that you are not

You see I've been acting funny 'cos I'm pissed off at the fact that

You've been talking all this rubbish, no babes, I don't want you backI'm on some Fizzy wave

Recently you've been going on really brave

Acting like you're wicked

It's funny how you have changedBut tomorrow I'm gone

Yes I'm about to walk out of the door

'Cos I don't want anything

To do with you anymore[Bridge]

Stop that, what planet do you come from?

Never gonna get me back

Stop that, what planet do you come from?

Never seen moves like thatStop that, what planet do you come from?

Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like that[Chorus]
I want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
'Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
'Cos I wanna dance like crazyStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like thatStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like that
