

# The Last Night

## Skillet

You come to me with scars on your wrist  
You tell me this will be the last night  
Feeling like this  
I just came to say goodbye  
Didn't want you to see me cry  
I'm fine but I know it's a lie  
This is the last night you'll spend alone  
Look me in the eyes so I know you know  
I'm everywhere you want me to be  
The last night you'll spend alone  
I'll wrap you in my arms and I won't let go  
I'm everything you need me to be  
Your parents say everything is your fault  
But they don't know you like I know you  
They don't know you at all  
I'm so sick of when they say  
It's just a phase, you'll be okay, you're fine  
But I know it's a lie  
This is the last night you'll spend alone  
Look me in the eyes so I know you know  
I'm everywhere you want me to be  
The last night you'll spend alone  
I'll wrap you in my arms and I won't let go  
I'm everything you need me to be  
The last night away from me  
The night is so long when everything's wrong  
If you give me your hand, I will help you hold on  
Tonight, tonight  
This is the last night you'll spend alone  
Look me in the eyes so I know you know  
I'm everywhere you want me to be  
The last night you'll spend alone  
I'll wrap you in my arms and I won't let go  
I'm everything you need me to be  
I won't let you say goodbye  
And I'll be your reason why  
The last night away from me, away from me
