Rawhide (Feat. Lily Allen) (B

Jamie T

Rawhide
Singing on the motorwayGonna get to the post office
Walk in the door look at the shopkeeper
Say "hello sonny, where's your poppy?
And how much money does he keep in his locky?"
Well we heard him say and I walk away
Has he got the time to go
He screams to silence "dad's got no money
And I don't like violence
Take what you want though"That's enough of thatWell they laid their plans of the mice and men
Out on the kitchen floor
Said rookie if you don't want to take the heat
You better roll out that door
Cause they're leaving five bout minutes in the car
They're gonna go driving far
And oh my god venomous hide
We'll have hides of gold
And they moved it out to move it in
And I know what to do
Said the young man who stood next to them
No longer first of all not part of the crew
Well oh I say same time, time is moving fast
And motorways they fly by satellite towns of the M25Come see all your slave
You give all you gave
I'm the one who tried to save the man I love
Is it all talking true
All the lies of me and you
Is it all to with prideYoung rawhide
Young rawhide
Young rawhideYou lied tonight to meWell you drive away on the corner
Waiting on the motorway (on the motorway)
Then I slide down town to the bored satellite and the fight

And I don't like violence
Take what you want though"Run run run your hideaway
