

# No One Is Innocent

## Die Toten Hosen

[Originally by Sex Pistols] God save the sex pistols they're a bunch of wholesome blokes  
They just like wearing filthy clothes and swapping filthy jokes  
God save television keep the programmes pure  
God save William Grundy from falling in manure Ronnie Biggs was doing time until he done a bunk  
Now he says he's seen the light and he sold his soul to punk God save Martin Boorman and nazis on the run  
They wasn't being wicked God that was their idea of fun  
God save Myra Hindley God save Ian Brady  
Even though he's horrible and she ain't what you call a lady Ronnie Biggs was doing time until he done a bunk  
Now he says he's seen the light and he sold his soul to punk  
Ronnie Biggs was doing time until he done a bunk  
Now he says he's seen the light and he sold his soul to punk God save politicians God save our friends the pigs  
God save Idi Amin and god save Ronald Biggs  
God save all us sinners God save your blackest sheep  
God save the good samaritan and god save the worthless creep Ronnie Biggs was doing time until he done a bunk  
Now he says he's seen the light and he sold his soul to punk  
Ronnie Biggs was doing time until he done a bunk  
Now he says he's seen the light and he sold his soul to punk  
Sold his soul Sold his soul Sold his soul to punk
