Till I Can't Take Love No More

Eddy Grant

I don't know what to do, I don't know what to say
I never had a love to measure up to your love
And all the little ways that you been good to me
I've never been afraid, oh come and give me your love
Till I can't take love no more, give me love
Till I can't take no more, till I can't take love no more, till I can't
And if I had to bet on all the loves I've had
Come on, don't be sad, ten to one, it's your love
It would run away with every single place
Oh, sweet love is this, come on, give me more love
Till I can't take love no more, give me love
Till I can't take no more, till I can't take love no more
Give me love till I can't take no more
And all the little ways that you been good to me
I've never been afraid, oh, come and give me your love
It would run away with every single place
Oh, sweet love is this, come on, give me more love
Till I can't take love no more, give me love
Till I can't take love no more, give me love
Till I can't take love no more, give me love
