

# Till I Can't Take Love No More

**Eddy Grant**

I don't know what to do, I don't know what to say  
I never had a love to measure up to your love  
And all the little ways that you been good to me  
I've never been afraid, oh come and give me your love  
Till I can't take love no more, give me love  
Till I can't take no more, till I can't take love no more, till I can't  
And if I had to bet on all the loves I've had  
Come on, don't be sad, ten to one, it's your love  
It would run away with every single place  
Oh, sweet love is this, come on, give me more love  
Till I can't take love no more, give me love  
Till I can't take no more, till I can't take love no more  
Give me love till I can't take no more  
And all the little ways that you been good to me  
I've never been afraid, oh, come and give me your love  
It would run away with every single place  
Oh, sweet love is this, come on, give me more love  
Till I can't take love no more, give me love  
Till I can't take love no more, give me love  
Till I can't take love no more, give me love
