

# Sweet Sue, Just You

**Jim Reeves**

(Sweet sweet Sue sweet sweet Sue)

Every little star above knows the one I love sweet Sue just you  
And the moon up high knows the reason why sweet Sue it's you

No one else it seems ever shares my dreams

And without you dear I don't know what I'd do

In this heart of mine you live all the time sweet Sue just you

[ piano - vibes ]

(Every star above knows the one I love) it's you sweet Sue  
(And the moon up high knows the reason why) it's you sweet Sue

Nobody else it seems ever shares my dreams

And without you dear...

You just you just you
