You've Changed

Eva Cassidy

You've changed, that sparkle in your eye is gone
Your smile is just a careless yawn
It's all over now you've changed
You've changed, your kisses now are so blaseYou're bored with me in every way
Your breaking my heart, you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realize that you ever caredYou've changed
You're not the angel I once knew
No need to tell me that we're throughIt's all over now, you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realize that you ever caredYou've changed the sparkle in your eye is gone
And your smile is just a careless yawn
It's all over now
You've changed, yes, it's all over now
You've changed
