

# Opposites Attract

Jeniferever

I'm M.C. Kat on the rap so mic it  
Here's a little story and you're sure to like it  
    Swift and sly and I'm playing it cool  
        With my home girl, Paula Abdul  
        Baby seems we never ever agree  
        You like the movies and I like TV  
    I take things serious and you take 'em light  
        I go to bed early and I party all night  
        Our friends are sayin' we ain't gonna last  
        'Cuz I move slowly and baby I'm fast  
        I like it quiet and I love to shout  
    But when we get together, it just all works out  
    I take two steps forward, I take two steps back  
        We come together 'cuz opposites attract  
    And you know it ain't fiction just a natural fact  
        We come together 'cuz opposites attract  
        Who'd a thought we could be lovers  
        She makes the bed and he steals the covers  
        She likes it neat and he makes a mess  
        I take it easy baby, I get obsessed  
        She's got the money and he's always broke  
        I don't like cigarettes, I like to smoke  
        Things in common, there just ain't a one  
    But when we get together, we have nothin' but fun  
        I take two steps forward, two steps back  
        We come together 'cuz opposites attract  
    And you know it ain't fiction just a natural fact  
        We come together 'cuz opposites attract  
        You know it baby, baby  
        Nothing in common but this trust  
        I'm like a minus, she's like a plus  
        One going up, one coming down  
        But we seem to land on common ground  
        When things go wrong we make corrections  
        To keep things moving in the right direction  
        Try to fight it but I'm telling you Jack  
        It's useless, opposites attract  
    Baby ain't it somethin' how we lasted this long  
        You and me provin' everyone wrong

Don't think we'll ever get our differences patched  
Don't really matter 'cuz we're perfectly matched  
I take two steps forward, I take two steps back  
We come together 'cuz opposites attract  
And you know it ain't fiction just a natural fact  
We come together 'cuz opposites attract  
Two steps forward, two steps back  
We come together 'cuz opposites attract  
And you know it ain't fiction just a natural fact  
We come together 'cuz opposites attract  
Two steps forward, two steps back  
We come together 'cuz opposites attract  
It ain't fiction you know it's a fact  
We come together 'cuz opposites attract  
Two steps forward, two steps back  
Two steps back 'cuz opposites attract  
We come together, we go together  
Opposites, I said, ?Opposites attract?
