

The Processional

Nowherebound

The Processional (Intro)

And as we gather here tonight,
Whoa-oh-oh!
Here on the stage, under these lights,
Weâ€™ll lend our voices to the fight,
Whoa-oh-oh!
Weâ€™re arm and arm and weâ€™re united (you know).
Whoa-oh-oh!

So raise those glasses with your crew,
Whoa-oh-oh!
And raise your fists and voices too.
Whoa-oh-oh!
These songs are written out to you.
Whoa-oh-oh!
So please sing on, please stay TRUE!
