The Journey Home

ç”°å³¶å‹•æœ—

[Foreign content][Foreign content]The journey home is never too long
Your heart arrives before the train
The journey home is never too long
Some yesterday's always remain
I'm going back to where
My heart was light
Where my pillow was a ship
I sailed through the night
The journey home is never too long
When open arms are waiting there
The journey home is never too long
There's room to love and room to spare
I want to feel

The way that I did then
And think my wishes
Through before I wish again
Not every boat you come across
Is one you have to take
Now sometimes standing still can be
The best move you ever make
[Foreign content]The journey home is never too long
Home hopes to heal the deepest pain
The journey home is never too long
Your heart arrives before the train
