Look in my eyes, there's a fire

(My SuperPower)

And my skin's just like iron

See the claws coming out for

(My SuperPower)

I'm no alien, but you'll see

Heroes are born in the ashes of the living dead

In the streets were the battles I won't forget

At the top is my final but my finest hour

I'm no alien, but you'll see my SuperPowerVs 2

In the streets were the battles I won't forget

At the top is my final but my finest hour
