

My Propeller

Arctic Monkeys

If you can summon the strength, tow me
I can't hold down the urgency
You've got to make your descent slowly
And oil up those sticky keysCoax me out my low
And have a spin of my propellerIt's a necessary evil
No cause for emergency
Borrowed the beak of a bald eagle
Oh, momentary synergyCoax me out my low
Sink into tomorrow
Coax me out my low
And have a spin of my propeller
