Friday Don't Need It

Little Comets

Cos everybody wants to get with another girl
Just because it's a Friday
And everybody wants to act like they rule the world
Once-a-week on a Friday
Cause you got Friday: don't need It, don't need It, don't need It
You got Friday: don't need It, don't need It, don't need It
Because Friday: don't need It, don't need It, don't need It
You got Friday: don't need It, don't need It, don't need It
Oh-Ay-Oh it used to lectrify my Soul, Oh, Oh
But now it leaves me feeling cold
Streets fill with fear
Whatever happened to Shakespeare
So you say Friday: don't need It, don't need It, don't need It
You say Friday: don't need It, don't need It, don't need It
Because Friday: don't need It, don't need It, don't need It
You got Friday: don't need It, don't need It, don't need It
Oh-Ay-Oh i used to go til half past four
But know my feet won't touch the floor
Leaves me Yawning
For Saturday morning
Show me romance and i'll dance on a Friday, oh-oh
Put back some Grace and i might show my face on a Friday, oh
Fill me with virtue and i might revert to a Friday, oh
Just give us a chance and we'l prance on a Friday
Oh-oh-oh-oh-oh
So you got Friday: don't need It, don't need It, don't need It
You goty Friday: don't need It, don't need It, don't need It
Because Friday: don't need It, don't need It, don't need It
You got Friday: don't need It, don't need It, don't need It
Tell me,
Tell me quick
Tell me quick
