Fire Burnin (Stripped Down)

Ross David

Tell me what you see, when you look in the mirror, cause I'm
Strugglin' to believe what I'm seein' is real right now,
Darlin', them other girls can't compete, with the way you do
Takin' me higher, and I'll be beggin' you for mercy
Before these lights go outThere's a fire burnin' in, here we go again
And I can't get enough, get enough
Let me take your hand, I could be your man
And I will give you love, give you love
Just give me the chance, I'll blow your mind
Here are there, all I need is the time.
There's a fire burnin' in, here we go again
And I can't get enough, get enoughMmmm, so.
One step, two step, now we're stepping on the dance floor.
DJ don't stop what you're doin' now, cause this is intense
That's for sure. So get ready, get set
Cause going steady, is what I'm goin' for
I'm one kiss from easin' the pain, two from insane,
And now I'm needin' moreThere's a fire burnin' in, here we go again
And I can't get enough, get enough
Let me take your hand, I could be your man
And I will give you love, give you love
Just give me the chance, I'll blow your mind
Here are there, all I need is the time.
There a fire burnin' in, here we go again
And I can't get enough, get enoughWith eyes like the stars, but ocean blue
Girl it'd be work to get over you.
But I ain't givin' up anytime soon.There's a fire burnin' in, fire burnin' in
Fire burnin' in, here we go again
And I can't get enough, get enough
Let me take your hand, I could be your man
And I will give you love, give you love
Just give me the chance, I'll blow your mind
Here are there, all I need is the time.
There's a fire burnin' in, here we go again
And I can't get enough, get enough
Fire burnin' in, fire burnin' in
There's a fire burnin' in yeah
Just give me the chance, I'll blow your mind
Here are there, all I need is the time.

There a fire burnin' in, here we go again
And I can't get enough.
