Aghast

Lord Belial

Screaming and twisting in pain
Devilish and gruesome laughter echoDreadful deeds never to be undone
Horrified by boundless anguishShattering thoughts of oppression
Disgusted by the repulsive reality
Accept the gift of poisonous words
Salute the termination of your lifeDreadful deeds never to be undone
Horrified by boundless anguishSubliminal fear, constant grief
Caress the black shade by your eyes
Certainty of your sublime death
Open your eyes, you are dead
Dreadful deeds never to be undone
Horrified by boundless anguish
