

Sidelines

[Jamie Lynn Hart](#)

So I get gone, go find another lover
While you try to discover what you want from me
'Cause I don't wait for nobody.
And you decide right when I change my mind
Somehow now you know what you want
I'm already gone. Goodbye, now the game is over, I come back to life
I'm not someone you can keep on your sidelines
You're in or you're out, just give in to your doubt, I'm gone. Time flies, I'm still on your mind
'Cause you know there is something that you have not seen
Something that lies underneath
But oh boy, you're just out of time
'Cause I found soon as I start to let go, I'm back in the flow. Goodbye, now the game is over, I come back to life
I'm not someone you can keep on your sidelines
You're in or you're out, just give in to your doubt, I'm gone. You keep trying but I don't want to.
'Cause I'm on fire now
And I don't need rescue Goodbye!
The game is over, I come back to life.
I'm not someone you can keep on your sidelines.
You're in or you're out, just give into your doubt, I'm gone. Whoa! Goodbye!
Now the game is over, I come back to life.
I'm not someone you can keep on your sidelines.
You're in or you're out, just give into your doubt, I'm gone.
