

# Tokyo Vigilante #1

## Powerman 5000

Tokyo Vigilante number one Kills with his  
Mind not with a gun  
The rumor 'round town, that he  
Was all washed up,  
But then he showed up  
And then he cleaned up Sharper than a sword  
He don't run  
You can't fuck with the number one son  
He said now everybody needs  
A little vengeance  
And when you want some,  
You call me  
Yeah, everybody needs a little  
Vengeance  
I'll kill any man for a fee...Tokyo!...Now who amongst you is  
Gonna stand up  
Now who among you is gonna fall  
Now who's got the brains to see  
What's going on  
And who amongst you is gonna  
Crawl Well it's all for one  
But they say it isn't so  
Blood in the streets  
Of downtown Tokyo  
But the prayers of the weak get  
Answered like a shot  
quick, fast style  
Yeah, check it out pressure drop Tokyo!...Eventually time it grinds  
Down to a halt  
The ultimate battle  
The slug and the salt  
The sun rises in the east  
But sets in the west  
Tokyo vigilante he never rests Test of the body,  
Test of the mind  
The future's on time  
And the future's unkind  
Explain the thought process  
Of the insane

not like the movies,  
But it's just the same
