

Secret Love

Stevie Nicks

Come on it's time to go upstairs
But I don't want to be leaving you here
I can't go be in that room alone
When I know that you're down here in tears
I am not asking forever from you
I'm just asking to be held for a while
In a timeless search for love that might work
We're already paying the price
But you need some rest
My darling, it's best
But we've already passed it, I cried
Oowee, listen to me
My secret love secretly died
Come on it's time to go outside
But I don't want to be leaving you here
I can't go be in that world alone

When I know that you're down here in tears
I'm not asking salvation from you
I'm just asking to be saved for awhile
In a timeless search for love that might work
Still we're already paying the price
But you need some rest
Darling, it's best
But we've already passed it, I cried
Oowee, listen to me
My secret love secretly died
Oh, you need some rest
Oh, you need some rest
My darling, it's best
My secret love secretly, secretly died
