

# Poison Ivy (live)

## Jonas Brothers

I just got back from the doctor  
He told me that I had a problem  
But I realized it's you I try to scratch away the issue  
All I ever get is tissues  
I can't wipe away my tears Everyone's allergic to poison ivy  
Everyone's allergic to poison ivy  
Everybody gets the itch  
Everybody hates that  
Everyone's allergic to poison ivy Now I found out you were lying  
When you told me you were trying  
Just to medicate the rash The tangled vines they got deceiving  
From the lines that now are leading  
To the truth I need to hear Everyone's allergic to poison ivy  
Everyone's allergic to poison ivy  
Everybody gets the itch  
Everybody hates that  
Everyone's allergic to poison ivy Yeah  
I breakout and I start to shake  
When I hear your name, I can't walk away  
I just can't do it I can't stop, even if I tried  
I lay down my pride, I can't walk away I get burned and I have to learn  
That the court's adjourned  
I can't walk away You tell lines and your tangled vines  
Well I try and just  
Can't walk away Poison  
Poison  
Poison ivy Everyone's allergic to poison ivy  
Everybody needs a little poison ivy  
Everybody wants a little poison ivy Everybody gets the itch  
Everybody hates that  
Everybody needs a little poison ivy Everybody gets the itch  
Everybody hates that  
Everybody needs a little poison ivy Poison ivy  
Poison ivy  
Poison ivy Gimme some poison baby, uh!
