Key Largo (2006 Remastered Version)

Sarah Vaughan

Wrapped around each other
Trying so hard to stay warm
That first cold winter together
Lying in each others arms
Watching those old movies
Falling in love so desperately
Honey, I was your hero
And you were my leading ladyWe had it all
Just like Bogie and Bacall
Starring in our old late, late show
Sailing away to Key Largo
Here's lookin' at you kid
Missing all the things we did
We can find it once again, I know
Just like they did in Key LargoHoney, can't you remember
We played all the parts
That sweet scene of surrender
When you gave me your heart
Please say you will
Play it again
'Cause I love you still
Baby, this can't be the endWe had it all
(We had it all)
Just like Bogie and Bacall
Starring in our old late, late show
Sailing away to Key Largo
Here's lookin' at you kid
(Here's lookin' at you kid)
Missing all the things we did
We can find it once again, I know
Just like they did in Key LargoWe had it all
(We had it all)
Just like Bogie and Bacall
Starring in our old late, late show
Sailing away to Key Largo
