

I Need a Girl

The Atlantics

Shawty, where you at?

Shawty, where you at?

Shawty, where you at?

Yeah, yeah It gets lonely in this business, need a homie, who's the realist

Someone who wants to find out all that I have to give

Who can bring me, what is missin' when I talk, she want to listen Sittin' patient, steady waitin' for the day when
I can face it

The one that can love me for who I am and so much more

Is it you? You're my bond, say that I, I found the one

I aint goin' to rest till I know for sure so Baby, please me believe me when I tell you that I need a girl

So come on pretty lady won't you holla back? I need a girl

Ima tell you what I need, I need a girl that's gon' be my baby

So if you love me, say I'm your baby, so fine I go that's my baby

So if you need me, say you're my baby I'm a good man, who ain't got a lot to ask

Just lookin' for something I can build on

I'm a young man, with a whole lot of cash

Just lookin' for a lady I can spend on

So all the young ladies in every little city

When I come to your town, let me know that you down Sittin' patient, steady waitin' for the day when I can face
it

The one that can love me for who I am and so much more

Is it you? You're my bond, say that I, I found the one

I aint goin' to rest till I know for sure so Baby, please me believe me when I tell you that I need a girl

So come on pretty lady won't you holla back? I need a girl

Ima tell you what I need, I need a girl that's gon' be my baby

So if you love me, say I'm your baby, so fine I go that's my baby

So if you need me, say you're my baby You could be my everything, oh you mean so much to me

And I don't even know your name

But I know that, that I'm your man and you are my girl

And if I ever meet you, Ima give you the world, oh Baby, please me believe me when I tell you that I need a girl

So come on pretty lady won't you holla back? I need a girl

Ima tell you what I need, I need a girl that's gon' be my baby

So if you love me, say I'm your baby, so fine I go that's my baby

So if you need me, say you're my baby Baby, please me believe me when I tell you that I need a girl

So come on pretty lady won't you holla back? I need a girl

Ima tell you what I need, I need a girl that's gon' be my baby

So if you love me, say I'm your baby, so fine I go that's my baby

So if you need me, say you're my baby You're my baby, yeah
