Hallo Spaceboy

David Bowie

Space boy, you're sleepy now

Your silhouette is so stationary

You're released but your custody calls

And I wanna be freeDon't you wanna be free?

Do you like girls or boys?

It's confusing these days

But moon dust will cover you

Cover youThis chaos is killing meSo bye, bye love

Yeah bye, bye love

Bye, bye love

Yeah bye, bye loveThis chaos is killing meHallo space boy, you're sleepy now

You're silhouette, so stationary

You're released but your custody calls

And I wanna be freeDon't you wanna be free?

Do you like girls or boys?

It's confusing these days

But moon dust will cover you

Cover youAnd the chaos is killing meYeah bye, bye love

So bye, bye love

Yeah bye, bye love

So bye, bye loveThis chaos is killing me

This chaos is killing meYeah bye, bye love

Bye, bye love

Eternal

Sweet, sweet love

Bye bye space boy

Bye, bye loveMoon dust will cover you

Moon dust will cover you
