

# Bad Time

## Grand Funk Railroad

I'm in love with the girl that I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I sure picked a bad time  
To be in love, to be in love Well, let her be somebody else's queen  
I don't want to know about it  
There's too many others that know what I mean  
And that's why I got to live without it I'm in love with the girl I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time To be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love All the stories coming back to me  
From my friends and the people that I don't want to see  
The things you say, I know just couldn't be true  
At least not until I hear them from you 'Cause I still love the little girl, I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time To be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love You know that I love the little girl, I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time To be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love
