Grizzly bear

Arthur Collins

-Jerry Corbitt-

Whoa-oh, when I woke up this morning
She was gone, solid gone
When I woke up this morning
She was gone, solid gone

I used to love to watch her dance
That grizzly bear
I guess she's gone to Frisco, whoa-oh
To dance out there

'Coz when I woke up this morning
Yeah, she was gone, solid gone

I used to love to watch her dance
That grizzly bear
I guess she's gone to Frisco, whoa-oh
To dance out there

'Coz when I woke up this morning
Yeah, she was gone, solid gone

She did not even tell me
the reason why she was gone
She did not even tell me
the reason why she was gone

I used to love to watch her dance
That grizzly bear
I guess she's gone to Frisco, whoa-oh
To dance out there

'Coz Whoa when I woke up this morning
Yeah, she was gone, solid gone
