You've Been a Friend

Israel & New Breed

Thank you for all You've done through Your son
Thank you for all You do You've brought me through
When I look around and see where I've been You've been a friendGlory, honor, exaltation, power
Blessing, worship love without end
You've been a friend
There's not a friend like youFor protecting me when I could not see
Thank You for hiding me under the shadow of your wings
When I look around and I see You again, You've been a friendGlory, honor, exaltation, power
Blessing, worship, love without end
I give You glory, honor, exaltation, power
Blessing, worship, love without endGlory, honor, exaltation, power
Blessing, worship, love without end
I give You glory, honor, exaltation, power
Blessing, worship, love without end
You've been a friend, there's not a friend like youWhat a friend we have in Jesus
All our sins and grieves to beat
All we have to do is
Take it to the Lord in prayerOh, what a friend I have in you
What a friend I have in you
Oh, what a friend I have in youLove without end, love without end
Love without end, you've been a friend
There's not a friend like you
You've been a friend, Lord
