

China Pig (live)

The White Stripes

I don't want to kill
My China pig
I don't want to kill
My China pig
Man's gotta live
Man's gotta eat
Gotta have shoes for walkin'
On his feet I don't want to kill
My China pig Used to go to school
With a little red box
I used to have a dog with me
We'd walk for blocks I don't want to kill
My China pig
I don't want to kill
My China pig
