

When You're Gone

KIDZ BOP Kids

I always needed time on my own
I never thought I need you there when I cry
And the days feel like years when I'm alone
And the bed where you lie is made up all the time
When you walk away I count the steps that you take
Do you see how much I need you right now? When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear
To always get me through the day
And make it okay, I miss you
I've never felt this way before, oh no
Everything that I do reminds me of you
And the things you left, they lie on the floor, oh no
And they smell just like you, I love the things that you do
When you walk away I count the steps that you take
Do you see how much I need you right now? When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear
To always get me through the day
And make it okay, I miss you
We were made for each other
Out here forever, I know we were, yeah, yeah
All I ever wanted was for you to know
Everything I'd do, I'd give my heart and soul
I can hardly breathe, I need to feel you here with me
When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear
To always get me through the day
And make it okay, I miss you
