

# Save My Soul

## Big Bad Voodoo Daddy

I walk the street's of new Orleans  
With the girl of my dream's  
I've seen a dozen brassbands playn' swing  
While little children laugh , dance & sing  
I've seen old men drunk singin the blues  
With top hats', and canes and spectator shoes  
I consider myself lucky to have fallen in love  
With a girl, the city and the river of mud

Chorus

Let me know, let me know .....where I can go to save my soul!  
Let me know, let me know .....where I can go to save my soul, where i can go to save my soul! I had a drink  
with ol' Louie's ghost

He was the most gracious host  
I've heard Gabriel singn' and playn' his horn  
And lived to see the day both my babies were born  
I love Jelly, Fats, fes and king  
They were the ones that taught the world to swing  
I consider myself lucky to have fallen in love  
With the music, the city and the river of mud

Chorus

Let me know, let me know .....where I can go to save my soul!  
Let me know, let me know .....where I can go to save my soul, where i can go to save my soul!  
New Orleans...new Orleans...Where i can go to save my soul, Where i can go to save my soul. I walk the street's  
of new Orleans

With the girl of my dream's  
I've seen old men drunk singin' the blues  
With top hats, and canes and spectator shoes  
I consider myself lucky to have fallen in love  
With a girl, the city and the river of mud

Chorus

Let me know, let me know .....where I can go to save my soul!  
Let me know, let me know .....where I can go to save my soul, where i can go to save my soul!  
Let me know, let me know .....where I can go to save my soul, where i can go to save my soul!  
New Orleans.
