

# False Jehova

## Impaled Nazarene

Urgh!Centuries ago,

Born of whore,

Jesus Christ,

Filthy homo,

Crucified fuck,

Millions follow,

Blinded mind,

Minds!False Jehova, you will obey me,

I am your mighty lord, you will kneel before me!I am Antichrist, poor bastard dies

As I take your life, see the burning skies

From hell I arise, by fire I rule,

Torment is the game, Antichrist my name, name!False Jehova, will you marry me?

I am Antichrist, your new wife to be...Urgh! Urgh! Urgh! Urgh!
